

Serger Savvy Class – Hideaway Hanger Safe by Sookie Sews

Cost: \$45.00 Plus Pattern

Date: Friday, February 16, 2024

Time: Doors open at 9:00 am – class starts at 9:30-4:00pm

Sookie Sews has done it again and created a project that is not only instructional but useful. The hanger looks like a top in your closet, only it is much more than that; it hides a secret compartment. Imagine traveling and having a safe place to hide money or passports. Use it at home and hide items you don't want to be found.

This pattern features several techniques that can be mastered using your serger. Specific skills include:

- zipper insertion with a piping foot
- lace insertion using blind hem foot
- flatlock
- serger pintucks
- 4 thread overlock for overall construction

Please Note: We have much experience with BERNINA sergers and can assist you as needed. While we welcome other brands in this class, we do not have as much experience with them, but we will do our best to assist you. Please know how to thread your machine and bring your manual for reference, if needed.

Materials Needed:

- Fabric A (shown in dark peach)
 - Front Top 17" X 3"
 - (2) Front Bottom Sides 4' X 10"
 - Front Bottom Center 10" X 10"
