

Art & Stitch 101

Supply List

Instructor: Libby Van Treese

Dates: April 8 & 9, 2024

Time: 9:30 - 4:00 (both days)

Class Description: Art & Stitch Basics. This class is for beginners learning to use Art & Stitch 101 to advance their ability to do custom quilting. Skills to be covered include navigating the Art & Stitch desktop, exploring the Library of Designs that are included, creating basic designs and turning them into Edge to Edge quilting. You will learn how to draw with Art & Stitch to create quilting designs from background pictures and how to use the “magics” to create quilting inside of blocks. Explore using Q-matic markers with Art & Stitch to precisely position quilting within a block and how to use Creative Fills to quilt around embroidered designs and appliques, or inside of negative space.

Supplies:

- Laptop with Art & Stitch loaded and activated
 - External Mouse (you will not be successful with mouse pad)
 - Notebook and pen
- **Please bring a lunch for both days

Preparation prior to class:

Make sure you have opened Art & Stitch and that it is activated. You received a code when you purchased your Q-matic. Your license includes activations for two computers—the Q-matic and a laptop or desktop.
