fabric kit that will contain all of the fabric needed to complete one floor canvas

Do you find that box store throw rugs always seem to fall short for specific interior space dimensions and that they also notoriously fall apart after a few washings... if they can be machine washed at all?! That's right... we are going to create outside the quilt fabric box and create a mini raw-edge appliqué quilt suitable for under foot! Every holiday season needs some whimsy and these rugged and washable quilts for the floor fit the bill with utility value and grit to outlast their box-store counterparts. Maximum finished dimension approximately 33 x 51.
