

Class Supply List

Class: How to COPY a garment without taking it apart.

Class Date:

Time: 9:30am – 4:00pm (Doors open 9:00)

Instructor: Elisa Milano

Description:

In this class you will learn how to copy and create a pattern for your favorite garment without taking it apart. This class will focus on basic pattern drafting techniques and strategies. Best part of this class is the satisfaction of drafting pattern that you know you will like and will fit.

Notions/Embellishments/Notions

- **A full roll of wax paper.** We will use this to trace our patterns. PLEASE insure you have a full roll as this is an essential element to the technique.
- Scotch tape.
- At least 3 to 4 Sharpie markers.

Specialty Rulers

- French Curve
- See through ruler (I use a 2-inch-wide ruler).
- Seam allowance ruler is helpful – we sell in class if interested

Misc. Supplies:

- Garment to Copy!!
- Lunch and snacks
- Scissors

Pre-Class Instructions

Please bring to class a garment that you would like to copy. Garments that you like and fit well are suggested. We will be addressing key garments that are relatively simple to pattern rather than complex drafting. **This class will not involve sewing, only pattern drafting.**
