### Pre-Class Instructions

Bring your Clear Blue Tiles, User Guide, and USB to class.

For this class, bring a small item that you have that needs quilting. This could be placemats, a table topper or runner, a wall hanging or small quilt. If you do not have something that needs quilted, bring a piece of fabric at least the size of a fat quarter (18 inches by 22 inches). Press the item and make sure all seams are pressed flat.

Cut the backing fabric for the item 3 inches larger on all 4 sides.

Cut the batting 1 inch larger than the item on all 4 sides. Use a thin or lightweight batting.

Baste the backing, batting, and top together using a method of your choice. (Basting stitches, pins, 505 spray etc.) Tape the top on all 4 sides to the batting 1/8 inch on fabric. This will keep the embroidery foot from catching on the edge of the top. See page 12 in the user guide.

Please label all your clear blue tiles, book, and USB with your name.
