See next page for pre-class instructions

Fabric Requirements

30 or more 1 ¼" strips of fabric. These can be scraps, jelly roll strips cut in half, or fat quarters. *Have some strips cut before class and bring extra fabric with you.*

Scraps of fabric for centers (not cut into strips). These need to be approx. 12" wide (or any size if you want to fussy cut)

The amount of fabric needed depends on the size of the bowl you want. If you want multiple colors, cut at least 2 strips from each fabric before class. This will get you started.

Applique fabric - bring this to class. The size of the fabric design makes a difference in the size of the bottom of the bowl. You can fussy cut before cutting, if you'd like. *The sample was made with Pioneer Women's Fabric.*

100 - 300 feet of 3/16th or ¼ inch COTTON CLOTHESLINE (natural color) - NOT ROPE

Bring power cord, foot pedal, and manual (you never know!), if using your own machine.
