

## LET'S DITTO!! CASSIE PANT

Teacher: Elisa Milano

Cost: \$75.00

Date: Friday, April 5, 2023

Time: Doors open at 9:00am – class starts at 9:30-4:00pm

Max # of students: 5

***Say goodbye to paper patterns, pinning, chalking, and worrying about the right fit. Meet Ditto, the digital projection system that eliminates the frustration and errors of traditional paper patterns.***

### **DITTO SEWING SYSTEM**

- **Customize** digital patterns to fit your body perfectly. Input your personal body measurements and the pattern adjusts instantly, reducing your frustration and increasing your joy of sewing.
- **Project** your pattern onto fabric. No more paper patterns! It's kind of like magic. Using Ditto compresses hours into minutes. No more pinning, paper or chalking.
- Increased **Sustainability**

In this class you will get the chance to use DITTO and understand firsthand how it works and the impact of customizing patterns automatically for your specific body measurements. As part of the class, you will receive:

- Instruction on how to create a customized size profile for your specific body measurements.
- One projected pattern - Cassie Pant pattern - and customization with your size profile.
- Each student will be able to cut out their projected pattern directly on fabric and experience DITTO directly.
- Sew along in class as time permits. Students will receive a printed copy of step by step sewing instructions to complete the shirt after class as well.

### **Cassie Pant**

Woven classic, straight leg, full length pants with a front button and zipper fly. 1 ½" natural waist. These classic pants complement blouses, sweaters, and blazers for several work-ready outfits. They also have deep practical side pockets.

These pants will give you a very good idea of how DITTO patterns work with your fit profile for future garments.

### **Materials Needed:**

Fabric – Medium-weight woven fabrics such as corduroy, herringbone, faux leather, denim, plaids, or wool. 60" wide fabric requires 1 ½ yards – 45" wide fabric requires 2 3/8 yards.

Notions: 9" Fly zipper, closure options: 3/8" button (1) or a hook and eye (straight).

Lining: 3/8 yard for pockets or you can use main fabric.

Interfacing: For waistband and zipper. Woven fusible recommended.

### **Supplies Needed:**

- SHARP fabric scissors AND rotary cutter.
- Tailors chalk that can be seen on fabric or removable marker
- Pins
- Hand sewing needle and thimble.
- Seam ripper
- Thread to match fabric.
- Tape measure – at least 60" long
- Pressing cloth
- STEAM iron – Will have a Laurastar in class to use.
- Wooden clapper (available in store for purchase)
- Tailor's Ham (available in store for purchase)
- Seam roll
- Buttonhole cutting tool (both available in store for purchase)

### **Sewing Machine:**

- Need a machine capable of sewing buttonholes if desired on waistband. Bring buttonhole foot if needed. Bring available other feet as well. Will need zipper foot for sure.
