

LET'S DITTO!! OAKLEE SHIRT

Teacher: Elisa Milano

Cost: \$75.00

Date: Monday, February 26, 2023

Time: Doors open at 9:00am – class starts at 9:30-4:00pm

Max# of students: 5

Say goodbye to paper patterns, pinning, chalking, and worrying about the right fit. Meet Ditto, the digital projection system that eliminates the frustration and errors of traditional paper patterns.

DITTO SEWING SYSTEM

- **Customize** digital patterns to fit your body perfectly. Input your personal body measurements and the pattern adjusts instantly, reducing your frustration and increasing your joy of sewing.
- **Project** your pattern onto fabric. No more paper patterns! It's kind of like magic. Using Ditto compresses hours into minutes. No more pinning, paper or chalking.
- Increased **Sustainability**

In this class you will get the chance to use DITTO and understand firsthand how it works and the impact of customizing patterns automatically for your specific body measurements. As part of the class, you will receive:

- Instruction on how to create a customized size profile for your specific body measurements.
- One projected pattern - Oaklee Shirt pattern - and customization with your size profile.
- Each student will be able to cut out their projected pattern directly on fabric and experience DITTO directly.
- Sew along in class as time permits. Students will receive a printed copy of step by step sewing instructions to complete the shirt after class as well.

Oaklee Shirt

This is collared button up classic style that looks both sophisticated and effortless. It is woven, low hip with a basic stand-up collar, round neck, round jewel shoulder darts at the back and full-length sleeves.

This shirt is a classic and will give you an idea of what to expect with future patterns and the system.

Materials Needed:

Fabric – Light- to medium-weight woven fabrics such as charmeuse, crepe de Chine, double faced gauze, cotton and chambray. If 60" wide – 1 yard if 45" wide – 1 1/8 yard

Interfacing – 20" wide – ¾ yard (for collar, placket, and cuffs – stiffness of interfacing is up to student depending on look and feel you want to achieve)

Buttons: 3/8" Buttons (11)

Supplies Needed:

- SHARP fabric scissors AND rotary cutter.
- Tailors chalk that can be seen on fabric or removable marker
- Pins
- Seam ripper
- Thread to match fabric.
- Tape measure – at least 60" long
- Pressing cloth
- STEAM iron – Will have a Laurastar in class to use.
- Wooden clapper (available in store for purchase)
- Tailor's Ham (available in store for purchase)
- Button Spacing Tool – Buttonhole cutting tool (both available in store for purchase)

Sewing Machine:

- Need a machine capable of sewing buttonholes. Bring buttonhole foot if needed. Bring available other feet as well.
