

## Class Supply List

**Class:** Mondo Bag with a TWIST!

**Dates :** Tuesday, November 14, 2023

**Time:** 9:30am – 4:00pm (Doors open 9:00)

**Instructor:** Elisa Milano

**Pattern:** Quiltsmart Mondo Bag – Pattern AND interfacing to complete one Mondo Bag.

### Fabric Requirements

**The bag requires 208 – 2 ½ inch squares** which can be gotten from Jelly Rolls strips, yardage, scraps, or a charm pack.

- 15 – 2 ½ inch X 40 strips of fabric (12 strips will be used for the bag, 2 strips will be used for handles and 1 strip will be used to hold the D Ring and Swivel hook.) **OR**
- 52 – 5 inch squares instead of 2 ½ inch squares (you can cut up into squares). Will also need 3 – 2 ½ inch strips WOF for handles and holders **OR**
- 208 – 2 1/2 inch squares – you can use all the little squares from your stash and give your bag a scrappy look. Will also need 3 – 2 ½ inch strips WOF for handles and holders that coordinate.

**Bag and Handle Lining and Pockets** – 1 ½ yards of fabric that coordinates with your squares. You can also construct handles from 2.5" squares if you like. You will need ~ 50 squares depending on how long you would like your handles.

**Fusible Fleece or Soft and Stable**– 1 ¼ yards, if width is at least 40 inch wide, if less, you will need to be able to cut 4 pieces approximately 9" x 40" and 2 pieces 2 ½" X 26". I prefer Soft and Stable; it gives the bag more structure. If using Soft and Stable, you will also need basting spray. I really like 505 as it does not gum up my machine or needle.

### Supply List

- Mondo Bag Pattern AND Interfacing – Available at sign-up
- Walking Foot is VERY helpful, but optional
- Sewing machine including power cord, foot pedal and bobbin
- Extra Sewing machine needles
- Thread for piecing bag and quilting lining and batting. Thread should blend with lining.
- Thread for topstitching bag – I like buttonhole or embroidery thread. Please bring 90/14 sewing needle if using buttonhole thread. Pick color that will coordinate with you bag fabric.
- Pins, scissors, seam ripper
- Pen, pencil, and paper
- Rotary Cutting supplies (cutter, mat and rulers)
- Zipper to match – 1 or 2 depending on number of pockets desired. 9-inch-long or longer per zipper
- Swivel hook and D ring set – ½ to 1 inch will work
- Fast Turn tool for handles or any tool you use to turn tubes to right side.
- Encourage you to bring an iron and pressing mat. This will save you time in the construction process.

- 505 basting spray if using Soft and Stable or NON-fusible batting.

### **Sewing Machine**

This will be a hands-on class and a sewing machine is required. Participants MUST understand how to sew and be familiar with sewing machine operation.

### **Required Feet/Hoops/Accessories/Needles**

Universal 80/12

Universal 90/14 for topstitching

### **Specialty Rulers**

See above

### **Thread**

See above

### **Rotary Cutting Supplies**

### **General Sewing Supplies**

Straight Pins, Wonder Clips

Scissors/Snippers and Seam Ripper

Marking Tools (Water Soluble Fabric Marker, Pencil, Pen, Chalk)

Extra Sewing Machine Needles

### **Misc. Items**

Pen, pencil, and paper for making notes

Sack Lunch and Drink

## **Pre-Class Instructions**

Please have your 208 – 2 ½” squares cut and ready for class. Also have your 3 – 2 ½” X 26 strips cut and ready. We will be focusing on construction in class therefore, no time allotted for cutting.
