## **Pre-Class Instructions**

Please bring to class a pair of pants and a skirt that you like, and the fit is good. We will use these to compare and achieve fit on our test garments.

Do not cut out your pattern in advance. We will review your measurements and plan out a strategy to cut out a garment that works the best for you.

Wear pants that are not too bulky to class. We will be taking measurements and want them to be accurate. Yoga pants or tights under your pants are recommended.
