Binding – ½ yard (if you choose to use scraps for the binding, you will need 230")

Backing – 3 yards

Pre-Class Work

Coming to class with your 5 ½" foundation squares cut (80 are needed for the sample size quilt) and at least some 1 ½" x 6 ½" scraps (Do NOT cut all of them) will mean you can jump right into the construction of the blocks. ****You can cut scraps into strips that measure 1 ½" x whatever length, as long as they are 6 ½" and bring those to class. Doing this will allow you to have a little more freedom when choosing which strips to use during the block construction.****
